

## **Bishopric**

Brothers and Sisters,

I felt gratitude and excitement as I watched General Conference this Easter weekend. How awesome to see the church grow and the message of the Gospel of Jesus Christ continue to spread throughout the world. As they announced all the new temples I thought of Nephi and other prophets who saw our day. Old Testament, New Testament, and Book of Mormon prophets alike saw these times and have prophesied of it. They spoke not only of the spread of wickedness but also of the spreading of the gospel to all nations and peoples fulfilling God's promises and covenants. We have about 250 temples either in operation or in the process. How Incredible!

As conference approached I thought of times past that I have watched or attended General Conference or Stake Conference, and couldn't remember what was said at the previous one. If a loving Heavenly Father speaks to me, at least in part, through his living prophet and other church leaders then I'm doing myself a disservice if I'm not setting goals based on what they are teaching me and the revelation I receive. So, with that in mind I have set goals based on what I heard and felt.

I encourage everyone to set goals, if you haven't already, from what you read and feel from conference talks. Let this be an opportunity to better ourselves, put Gods word to work in our lives, and receive Heavens blessings. Our Savior is coming, let us be ready!

- Temple Prep Class continues (@3pm Sundays) - If you are preparing to go to the temple for the first time or hoping to return after an absence or if you just think you would be benefited by this class you can find the link on the ward website ([www.logangreenmeadows.org](http://www.logangreenmeadows.org), scroll towards the bottom).
- Our ward website contains zoom links for all meetings, church links, meeting times, and a link to the monthly newsletter. The website can be found at [www.logangreenmeadows.org](http://www.logangreenmeadows.org)
- We have Sacrament meeting every week as a single group (@10:30). I encourage everyone to come to Sacrament meeting in-person if you are able to do so. We will continue to have our meetings over Zoom as well for those not comfortable with in-person yet.
- The Utah Area Authority and the Stake Presidency has asked that we continue to wear face masks. While HB294 is now in affect, it doesn't remove the mandate for groups larger than 50 people. So, they ask us that in all our church meetings we continue to wear masks.

- We would also like to congratulate those who were baptized in March and made the newest members of the church: Elyse Bailey, Hallie Clayburn, Aaron Richards, and Jack Nelson!

## **Elders Quorum**

Well, another General Conference is behind us and now it's time to ponder and begin to work on the guidance given us! There was so much said and some thoughts that stuck out for me was the discussion on the Constitution by Elder Oaks and that we follow it first in regard to our Country. Another was the thoughts mentioned by Brother Teixeira to recognize and remember our pathway home. And a new temple in Smithfield! Brethren, I hope that you listened to General Conference and received guidance on your next steps in life. As we attend our priesthood meetings this coming week and the weeks to follow, come and participate as we begin to discuss these talks and the guidance received! Now is not the time to lose our path back - it is however a time to cleanse and have hope, love, and faith in our Brother and Lord Jesus Christ! Talk soon fellas and do good always...

## **Quote from President Nelson**

“The Creation required the Fall. The Fall required the Atonement. The Atonement enabled the purpose of the Creation to be accomplished. Eternal life, made possible by the Atonement, is the supreme purpose of the Creation. To phrase that statement in its negative form, if families were not sealed in holy temples, the whole earth would be utterly wasted. The purposes of the Creation, the Fall, and the Atonement all converge on the sacred work done in temples of The Church of Jesus Christ of Latter-day Saints. The earth was created and the Church was restored to make possible the sealing of wife to husband, children to parents, families to progenitors, worlds without end. This is

the great latter-day work of which we are a part. That is why we have missionaries; that is why we have temples—to bring the fullest blessings of the Atonement to faithful children of God. That is why we respond to our own calls from the Lord. When we comprehend His voluntary Atonement, any sense of sacrifice on our part becomes completely overshadowed by a profound sense of gratitude for the privilege of serving Him.” *The Atonement Oct 1996*

## **Young Men**

The young men’s activities are back in full swing now and we’ve had some fun and educational times already, from bridge building to shooting range the boys are glad to be able to meet again. Now that we’re in spring and the day light hours are extended, we have some exciting activities on the horizon, model rocket launching being one of them. We also have plans for a combined ward-wide, no stakes pine-wood derby soon too. Add to this some camp outs and caber tossing (ok, maybe not caber tossing) and we expect some awesome summer fun. We’ll continue to keep everyone posted on these and other activities through email, Facebook, and Circles through the Gospel Living app.

The young men meet on Tuesday’s at 6:30 at the church.

## **Primary**

A message from President Russell M. Nelson...

“When Jesus was on the earth, He constantly helped those who were left out, overlooked, or mistreated. As His followers, we must do the same! We believe in freedom, kindness, and fairness for all of God’s children.”

“We are all brothers and sisters, each one a child of a loving Father in Heaven. His Son, the Lord Jesus Christ, invites all to come to Him, “black and white, bond and free, male and female” (2 Nephi 26:33). Every son and daughter of God deserves respect, no matter what their color or beliefs are. Let us show love for all of God’s children.”
